FORTUNE MYSTERY HAND

Scratch. Reveal.
Win Your Hand of Fortune.

- Each player receives a sealed envelope (like a lottery scratch card) containing a unique poker hand combination. (E.g., ♠️ A ♠️ K, ♥️ Q ♥️ J, ♣️ 9 ♣️ 9, etc.)
- If during a cash game they make that exact hand (same rank + suit) on the board, they win the announced Mystery Fortune Prize (cash, bonus chips, or merchandise).
